It is my sincere pleasure to write this letter of recommendation on behalf of Jennifer Palombit, an amazing teacher in our Fine Arts Department at L'Anse Creuse High School. First and foremost, Ms. Palombit is the epitome of a professional and is extremely intelligent, organized and driven by what's best for her students. She is also very flexible, a team player within her department, and recently completed Advanced Placement Studio Art training. Ms. Palombit taught drawing/advanced drawing, painting/advanced painting and ceramics during the 2016-17 School Year. She also had a number of students submit entries into regional art showcases and win countless awards and scholarships.

This past year, Ms. Palombit earned the rating of highly effective during the annual evaluation process. She was able to demonstrate nearly 100% student growth in all of her classes. She has excellent classroom management skills and is able to transfer her knowledge in the arts to varying levels of students in her classes. I have no doubt that she would be an asset to any school-community....I recommend her without reservation.

Please contact me at (586) 783-6400 x1200 if you have any additional questions.

Sincerely,

Stephen P. Czapski
